

Agreement between you and the Legal Advice Clinic

You have come here to get legal advice about a problem. By signing this paper, you agree to these rules:

1. You will meet with a volunteer lawyer today. The lawyer will give you legal advice based on what you tell the lawyer. The lawyer may also send you to other places that may help you.
2. When the meeting ends, the lawyer's help to you ends. Don't expect the lawyer to take your case or be your lawyer after the meeting.
3. The lawyer and Legal Advice Clinic will keep secret what you tell them. They won't tell anybody about your income or your problem unless you OK it.
