

Welcome to the Legal Advice Clinic!

1. Please print your name on the sign-in sheet.
2. Please fill out the 2 pages we give you.
3. Please return the pages to a person at the front table.
4. Usually, the lawyers see people in the order that they sign in. But you may have to wait for a lawyer who knows about your kind of legal problem.
5. Some of our volunteers are not lawyers. They can't answer your legal questions. Please save your legal questions for the lawyer you will meet with.
