Clinic provider: _____ Clinic Date: _____ Clinic Start Time: _____ Clinic End Time:_____

Number of clients: _____ Number of attorney volunteers: _____ Number of non-attorney volunteers: _____

Please complete the chart below using your best judgment. Please use whatever method is easiest for you to collect this information from your volunteers.
A sample volunteer attorney survey designed to collect this information can be found at www.justiceforalltn.com.

Total Number of cases: Indicate the number of cases the clinic assisted clients with today in the areas of law listed below.
Resolution: Indicate how many cases in each area were resolved, partially resolved or not resolved. Resolved means that the client no longer has a legal need and/or the need for an attorney.
Further action: Indicate if any of the cases/clients were referred to other resources, advised to return to the clinic for further help, or the volunteer attorney agreed to represent the client outside of the clinic. "Pending assignment" means that clinic provider organization (a legal service provider) is going to represent the client.
